RIVERSIDE (CNS) - Riverside County government's financial position going into the second half of the current fiscal year is better than predicted, with discretionary revenue now on track to beat initial estimates by almost \$100 million, though agencies are already seeking more money to sustain operations, officials said Tuesday.

"There are more than \$350

million in new funding requests," county Chief Executive Officer Jeff Van Wagenen told the Board of Supervisors. "We're going through the process of working with departments to bring forward recommendations on how to pay for their needs."

Van Wagenen said that the main objective now is to "determine

# D.A. Calls for Support of Legislation to Crack Down on Fentanyl Dealers

RIVERSIDE (CNS) - Riverside County District Attorney Mike Hestrin Tuesday joined the father of a college student who died from fentanyl poisoning, along with a federal law enforcement official, in calling on the state Legislature to pass laws that would mandate warnings to drug suppliers that they could face murder charges if what they sell kills someone.

“WE want to tell our lawmakers, the governor -- help us,” Hestrin said. “Help the people of our state. Pass the laws that give us the tools to protect our citizens. It’s as simple as that.”

Hestrin, DrugInducedHomicide.com founder Matt Capelouto of Temecula and Drug Enforcement Administration Special Agent Bill Bodner held a news briefing at the

D.A.’s headquarters in downtown Riverside to appeal to the Legislature to give consideration to Senate Bill 44, authored by Sen. Tom Umberg, D-Anaheim, and SB 13, authored by Sen. Rosilicie Ochoa Bogh, R-Beaumont, which are nearly identical.

The proposals would mandate advisements to drug dealers, stating they understand upon conviction of dealing controlled substances that they could be prosecuted for second-degree murder if the products they distribute in the future cause a person’s death.

The advisement would be on par with Watson warnings that individuals convicted of driving under the influence must sign upon conviction of a DUI.

“No laws are in place to ensure dealers will be held accountable. They don’t exist (in California),” Capelouto said. “(SB 13 and SB 44) will save lives in our state and in our communities.”

SB 13 is known as “Alexandra’s Law,” in memory of Capelouto’s daughter. It and SB 44 are under

*New Hampshire State Police Forensic Lab*

review by the Senate Committee on Public Safety.

“The committee has an opportunity to save lives,” Capelouto said. “They can lead the way and take a step toward protecting thousands of Californians. If not, more will die, with zero accountability from the person who killed them. That’s not acceptable to me, and it shouldn’t be acceptable to any Californian who cares about the safety of our community.”

Bodner said the DEA has investigated cases “where a single drug dealer poisoned or killed multiple victims in the span of a couple of days.”

“The DEA will continue to work with local law enforcement agencies to ensure those lost to fentanyl have a voice,” he said.

The bills now before the Legislature bear strong similarities to proposals introduced at least twice by former Sen. Melissa Melendez, R-Lake Elsinore, in 2021 and 2022. Her legislation was also dubbed “Alexandra’s Law” and had the support of multiple district attorneys statewide.

The proposals never reached the Senate floor due to lack of backing from Democratic lawmakers, who have super-majorities in the Assembly and Senate.

“There’s strong opposition in the California Legislature to any law that punishes offenders,” Hestrin said. “And that’s the world we’re living in here in California. There’s a strong ‘de-carceration’ effort and an ideology floating around in Sacramento that says punishing offenders who hurt our citizens is wrong, or that it’s somehow harmful to society. And it’s nonsense, and that’s what we’re battling.”

The D.A.’s office has filed second-

degree murder complaints in 20 fentanyl poisoning cases going back to February 2021, according to Hestrin. The filings would be less cumbersome in the future with a state law on the books mandating Watson-like advisements, he said.

Hestrin also pointed out that newly aggregated data indicate almost 500 people in Riverside County died from fentanyl poisoning in 2022. That compares to just under 400 in 2021, a 200-fold increase from 2016, when only two such fatalities were documented.

On Monday, the man who sold the fentanyl-laced pills that killed Capelouto’s 20-year-old daughter in December 2019, 24-year-old Brandon Michael McDowell of Riverside, was sentenced to nine years in federal prison after pleading guilty to possession with intent to distribute fentanyl.

“The drug dealer responsible for deceiving my daughter to death by selling her a counterfeit Oxycodone pill faced 20 years behind bars,” Capelouto said. “U.S. District Judge Jesus Bernal believed the defendant was not fully aware of the dangers of the drug he was selling. The evidence clearly showed otherwise. We were disappointed in the sentence, but still grateful.”

“Most families who have lost or will lose loved ones to drug-induced homicide receive zero justice,” he said. “The reality is, the state does not have the proper laws in place to stop drug dealers from peddling fentanyl to our families, friends and neighbors. We are a family who lost a daughter, and now there’s a sorrow that we will endure

## Cajalco Road

Widening and Safety Enhancement Project

### Join us for a Community Workshop!

The County of Riverside Transportation Department, in cooperation with California Department of Transportation (Caltrans), is proposing to widen and realign approximately 15.7 miles of Cajalco Road between Temescal Canyon Road to the west and Interstate 215 (I-215) to the east. The project would widen the roadway to four lanes between Harvill Avenue and Temescal Canyon Road, and to six lanes between the I-215 and Harvill Avenue.

The Cajalco Road Widening and Safety Enhancement Project Draft Environmental Impact Report/Environmental Impact Statement (EIR/EIS) was released in December 2021 for a 90-day public comment period. A virtual public hearing was held in January 2022. After reviewing the public comments received during the public review period and evaluating the project alternatives, Build Alternative 1 was identified as the Project’s preferred alternative.

Members of the community are being invited to participate in an interactive workshop to help identify possible community benefits that may be incorporated into the design of the Project’s preferred alternative. Your input is important and will be considered in the final design phase of the project, and Final EIR/EIS.

## RFK Assassin Sirhan Sirhan Denied Parole Reversing Last Decision

SAN DIEGO (AP) — A California panel on Wednesday denied parole for Robert F. Kennedy assassin Sirhan Sirhan, saying the 78-year-old prisoner still lacks insight into what caused him to shoot the senator and presidential candidate in 1968, Sirhan's lawyer said.

That contradicted the decision by a different parole board two years ago when its members found Sirhan to be suitable for release. Gov. Gavin Newsom rejected the decision in 2022, keeping him in state prison.

Sirhan's lawyer Angela Berry disputed he lacks insight and argued at Wednesday's hearing that his psychiatrists have said for decades that he is unlikely to reoffend or be a danger to society.

Berry said she believes the new board members were

influenced by Newsom and by the lawyers representing Kennedy's widow and some of his children — several relatives of the slain politician are opposed to Sirhan's release, though not all are.

In rejecting Sirhan's freedom last year, the governor said the prisoner remains a threat to the public and hasn't taken responsibility for a crime that changed American history.

"I do feel the board bent to the political whim of the governor," Berry said after the hearing at a state prison in San Diego County.

Berry said the aging prisoner also "wasn't as articulate" when he spoke to the board this time. The board recommended Sirhan do more work to better understand what makes a person a political assassin, she said.

California Department of Corrections and Rehabilitation

The parole board hearing comes nearly six months after Berry asked a Los Angeles County judge to reverse Newsom's denial. The case is ongoing, and Berry said it was unclear how Wednesday's denial by the board will affect it.

"They found him suitable for release last time and nothing has changed," Berry said. "He's continued to show great behavior."

In a 3 1/2-minute message played during a news conference held by Berry in September, Sirhan said he feels remorse every day for his actions. It was the first time Sirhan's voice had been heard publicly since a televised parole hearing in 2011, before California barred audio or visual recordings of such proceedings.

"To transform this weight into something positive, I have dedicated my life to self-improvement, the mentoring of others in prison on how to live a peaceful life that revolves around nonviolence," he said. "By doing this, I ensure that no other person is victimized by my actions again and hopefully make an impact on others to follow."

He was denied parole 15 times until 2021, when the board recommended his release.

Sirhan's younger brother, Munir Sirhan, has said his brother can live with him in Pasadena, California, if he is paroled. Sirhan Sirhan has waived his right to fight deportation to his native Jordan.

Berry filed a 53-page writ of habeas corpus asking the judge to rule that Newsom violated state law, which holds that inmates should be paroled unless they pose a current unreasonable public safety risk. Recent California laws also required the parole panel to consider that Sirhan committed the offense at a young age — 24 — and that he is now an older prisoner.

She is challenging the governor's reversal as an "abuse of discretion," a denial of Sirhan's constitutional right to due process and as a violation of California law. She also

# Artists For Desert X Fourth Edition to Deploy Artwork Tomorrow

PALM SPRINGS (CNS) - A dozen artists from Europe, North America and South Asia will deploy their artwork on Saturday for Desert X, a biennial outdoor art exhibition in the Coachella Valley.

**T**HE artwork will be displayed from March 4 until May 7, according to a statement from Desert X.

"There's a saying attributed to the Kwakwaka'wakw nation that a place is a story happening many times," said Desert X's Artistic Director Neille Wakefield in a statement. "This idea of place as the multiplicity of stories flowing through it is central to Desert X. Artists are an essential part of this understanding and the ideas they bring to it irrigate our perception of place, nourishing the narratives already there and propagating those that have yet to be told."

Participating artists who will present immersive works

including sculpture, painting, writing architecture, design, film, music, performance, choreography, education and environmental activism are:

-- United Kingdom-based artist Rana Behum with "Chainlink," a structure appearing as a shimmering pyramidal haze of color or a chain link fence floating above the desert floor and spread across the valley.

-- United States-based artist Lauren Bon with "The Smallest Sea with the Largest Heart," a poetic object to remind viewers of society's capacity to destroy, their connection to water and that the desert was once a sea.

-- U.S.-based rancher, artist and educator Gerald Clarke with "Immersion," a giant board game with a goal to reach the center by answering questions about the traditions and histories of the Cahuilla Indians and other sovereign cultures.

-- Mexico-based artist Paloma Contreras Lomas with "Amar a Dios en Tierra de Indios, Es Oficio Maternal,"

a Western-meets-scifi, audio-visual tour of a landscape featuring a dated car screeched to a halt and an array of tangled limbs from two mysterious characters in an effort to push back at the violent male gaze of the landscape.

-- U.S.-based artist Torkwase Dyson with "Liquid a Place," part of an ongoing series featuring a sculptural installation that engages people as liquid beings seeking new forms.

-- Mexico-based artist Mario Garcia Torres with "Searching for the Sky (While Maintaining Equilibrium)," a herd of mechanical bulls designed to make people fall and becoming a macho celebration of failure.

-- United Kingdom and India-based artists Himali

Singh Soin and David Soin Tappeser with "Namak Nazar," immersive audio-visual environments inviting people to think through ecological loss and the loss of home.

-- U.S.-based artist Matt Johnson with "Sleeping Figure," a cubist rendition of classical odalisque featuring shipping containers and the harem to which they belong.

-- U.S.-based artist Tschabalala Self with "Pioneer," an equestrian statue serving as a visual representation of the birthright and place of Native and African American women within the American landscape.

-- Bangladesh-based artist Marina Tobassum with "Khudi Bari," a modular mobile home that is low cost, durable and can be assembled

and disassembled to address the role of design amidst the world's climate conditions.

-- Mexico-based artist Hector Zamora with "Chimera," a performative action transforming street vendors into walking sculptures made of balloons to question the everyday uses of materials and functions of space.

"In a time of global crisis, many of the artists have created spaces of freedom and possibility, suggesting new ways to build healing cultures of care that embrace and protect (bio)diversity, opening up opportunities for joy and hope anchored in justice," Desert X co-curator Diana Campbell said in a statement.

"Immersing ourselves in the stories of place also awakens us to its mythologies, whether they be religious texts and oral traditions across multitudes of belief systems that see us creating vessels to escape the flood as well as being cast into the arid wilderness to test the limits of existential and spiritual survival."

## Centennial Wins

passionate fans, a far cry from the dimly lit basketball barns where Centennial captured the past two championships.

While the Huskies breezed through a 25-3 regular season, as expected they turned on the jets in the playoffs, opening with a win over Bronny James (Lebron's son) Chatsworth Sierra Canyon. They followed that with comfortable wins over Sherman Oaks Notre Dame and Torrance Bishop Montgomery.

The Braves of St John Bosco was a surprise championship opponent, having upset Studio City Harvard-Westlake in pool play. And they hardly entered the arena in awe of the foe before them.

And the setting of the Honda Center fit the moment, pumping in the passion of a major college or pro game. The Huskies previous two championships were won in 1,000 or so seat gyms on the campuses of Sierra Canyon in '21 and Harvard-Westlake last year.

Unintimidated, Bosco jumped out to a 4-point lead after the first quarter but struggled to find the basket for only 7-points in the second and trailed by 5 at halftime.

Trailing by 4 going into the 4th quarter, the Braves surged, now leading by 4 with two-minutes left in regulation. And the fun, topped by the drama, began.

Centennial's Eric Freeny's

second chance basket in the paint with 1:55 left cut the Braves' lead to 56-54. Bosco then lost a chance to take a four-point lead when Delye Williams, of Bosco, was called for touching the ball in the cylinder above the basket.

Husky Aaron McBride's bucket tied the game at 56 with 1:19 left in regulation. After the teams traded missed baskets, Bosco had the ball and was playing for the final shot, to take the championship.

And then, what some have called the greatest high school finish they've witnessed, was about to take place.

Anticipating a cross-court pass near the top of the key, by the Braves Elzie Harrington

to Brandon McCoy, McBride deflected the ball just before it reached McCoy's waiting hands with 5 seconds left.

As the ball headed downcourt, McBride gained control on the dribble after two long strides, leaving two Braves defenders behind on either side, taking flight just past the foul line, slamming down the game-winning dunk as time expired.

The arena erupted, Bosco players were stunned, and the Huskies swarmed the court, mobbing the Loyola-Marymount bound McBride beneath the basket.

The Huskies accomplished their 3-peat, 58-56.

McBride finished 9 of 11 from the field for 18 points while Freeny also had 18 for

the Huskies. McBride, Devin Williams and Jared McCain were ironmen for the Huskies, playing all 32 minutes. Centennial coach Josh Giles used one substitute, BJ Taylor. Harrington had 15 for Bosco.

And the epilogue, they might do it all again in the CIF Regional finals.

Both teams received a bye in the first round as the top-two seeds. Bosco hosts Harvard Westlake in a rematch while Centennial hosts San Diego St. Augustine at 7 p.m. Saturday night in the regional semi-finals. The winners face-off Tuesday night for the right to advance to the California CIF Open Division state championship game in Sacramento on Saturday, March 7.

## SMOKED TRI TIP

## Sandwich

Connor Forbes

By Connor Forbes

I don't eat a ton of red meat but I do love a good tri tip. Lean, meaty, and great sliced, tri tip is a versatile cut that is sure to please any red meat eater in your orbit.

**I**T'S also a quick meat to smoke. Which adds a ton of flavor you don't get from a gas grill. For my kids I just sliced up some tri tip, added some rice and sliced cucumbers + bell peppers and they scarfed it

down. For my wife and myself, I made the tri tip into a sandwich. A darn good sandwich at that. So, let's make a Sandwich!

## Ingredients

## For the Tri Tip

- 1 whole Tri Tip
- 1 Tbsp salt
- 1 Tbsp pepper
- 1 tbsp worchestershire sauce
- 1 tomato
- 1 tsp olive oil

## For the Sandwich

- Dutch crunch or potato roll
- Arugula
- Sliced bell pepper

- Horse radish sauce
- Cilantro

## TO MAKE

Cover the tri tip evenly in the salt pepper and worchestershire sauce. Slather the tomato (I

used a roma) in the olive oil. Smoke the tomatoes and tri tip in a smoker at 250 until you have reached 135° internal temperature. Remove from the grill and let rest under foil for 10 minutes. Slice the roll in half and apply horseradish to both sides. Stack sliced tri tip with the arugula, bell pepper, sliced smoked tomato and cilantro. Add the top bun and you are ready to eat! Enjoy.

## County Finances

continued from page 1

what departments need not to shrink." He said the goal is to keep agencies "flat" by focusing on "strategic priorities" and not indulging biases toward expansion.

His comments were delivered during a brief presentation on the 2022-23 midyear budget report, which indicated that discretionary revenue will likely exceed initial projections by \$89 million by the end of the fiscal year, topping out at \$1.102 billion, rather than the \$1.013 billion originally projected.

The gains are mostly the result of higher tax receipts, as residents shelled out more

for goods and services, as well as greater earnings from the county's investment pool.

Property tax receipts are expected to expand by \$21.5 million more than what officials estimated before, while the county will likely take in \$6.2 million in additional sales and use taxes, and separately, the county's share of statewide Proposition 172 Public Safety Sales Tax revenue is projected to be \$13.4 million greater than first estimated, according to the Executive Office.

Board Chairman Kevin Jeffries stressed to Van

Wagenen that he will oppose "mission creep" by agencies "wishing to expand ... and take on other responsibilities" that saddle the county with unnecessary higher costs.

"A make or break for me (on budget planning for 2023-24) is the sheriff's level of service (in unincorporated communities)," Jeffries said. "There needs to be a minimum level of acceptable service."

At midyear, multiple county agencies were contending with higher cost pressures, requiring bigger outlays to deal with them, the Executive Office stated. Most

of the budgetary challenges were driven by revised or renewed collective bargaining agreements guaranteeing cost-of-living and merit pay hikes, as well as more county obligations to pay health insurance. However, some of the costs were tied to building maintenance and expansions, officials said.

The Riverside University Health System announced the largest appropriations need at \$105.45 million. RUHS runs the only public hospital in the county, and the bulk of patients are at or near the poverty level. The agency said that

"increased patient demand" had required "additional staffing and supplies to provide the necessary patient care." Essentially all of the increased appropriations for what remains of 2022-23 will be covered through federal and state reimbursements, the EO said.

Officials said that the county reserve pool is now projected to be \$537 million, compared to \$511 million projected in November. The original estimate in June was \$368 million.

Hearings on the 2023-24 fiscal year budget will be held in June.

for the rest of our lives. We are inspired to continue to fight for justice, accountability and safety for all Californians and Americans."

Fentanyl, a synthetic opioid, is manufactured in overseas labs, and according to the DEA, it's smuggled across the U.S.-Mexico border

by cartels. It's 80-100 times more potent than morphine and can be mixed into any number of street narcotics and prescription drugs, without a

user knowing what he or she is consuming. Ingestion of only two milligrams can be fatal.

In her legislation, Bogh included data from the state

showing that, in 2021, 5,722 of the 10,416 Californians who died from a drug overdose died from fentanyl poisoning.

alleges that Newsom misstated the facts in his decision.

Newsom's office declined to comment.

Newsom overruled two

parole commissioners who had found that Sirhan no longer was a risk. Among other factors, Newsom said Sirhan has failed to disclaim

violence committed in his name, adding to the risk that he could incite political unrest.

The ruling split the Kennedy family, with RFK's

Wednesday's board

denied Sirhan parole for three years, but he can file a petition to request that his 17th parole hearing be held before then.

By Bob Garver

A lot of the reviews I've seen for "Cocaine Bear" contain some variation on the line, "This movie delivers exactly what it promises." I'm going to say that's not entirely true. To be sure, there is a bear high on cocaine in this movie. Nobody is going to say that this movie delivers less than what it promises. What I mean is that this movie delivers slightly more than what it promises. Again, there is most definitely a bear on cocaine, no worries there, but there's also a quirky little crime comedy in play under the much-ballyhooed layers of fur and coke.

**T**HE bear is on cocaine because a gang member dropped several pallets out of a plane while flying over the Georgia mountains. The movie never makes it clear why the cocaine was deposited like this, but drugs may have involved in the decision. A black bear got into the unattended stash, and is now going on a woodland killing spree. Sometimes the bear attacks because it's hungry or because it's aggressive, and there's even a more noble reason introduced late in the film, but mostly it attacks because it wants more cocaine.

We meet our human players. Sari (Keri Russell) is a nurse looking for her hooky-playing

daughter Dee Dee (Brooklyn Prince) and her friend Henry (Christian Convery). Liz (Margo Martindale) is a park ranger with delusions of grandeur trying to impress a visiting wildlife expert (Jesse Tyler Ferguson). Bob (Isiah Whitlock Jr.) is a cop trying to find the rest of the cocaine while minding his new puppy. Daveed (O'Shea Jackson Jr.) and Eddie (Alden Ehrenreich) are gang members trying to recover the cocaine for Eddie's father Syd (the late Ray Liotta). Throw in some panicky paramedics, a bumbling trio of muggers and some hikers to serve as hors d'oeuvres, and you've got a menu – I mean – cast.

As expected, much of the film's humor derives from the bear and its newfound affinity for cocaine. Sometimes its behavior is violent, other times it's just odd, like when it goes around banging its head into trees. But it's not always about the bear. Daveed and Eddie have a nice odd-couple chemistry with Daveed trying to be sensitive to Eddie's grief over the recent death of his wife, but Eddie being such a stick in the mud and renouncing his former criminal ways. Dee Dee and Henry steal the movie with their misplaced rebelliousness and unfamiliarity with cocaine. And a showdown at a gazebo is twisted enough before the bear shows up to make everything worse.

I like that the movie avoids the temptation to make the bear a straight-up villain like the shark in "Jaws." The poor thing was minding its own business until cocaine fell from the sky. It didn't ask for any of

this. True, it attacks good guys and bad guys indiscriminately once it's coked-up, but it seems like all it needs is a good nap and it'll stop being such a grouchy-bear.

There's a lot of fun to be had at "Cocaine Bear": fun

from the bear, fun from the humans, and fun from the audience if you see it with the right crowd. It loses some of its manic energy toward the end when the villains get serious, the humor dissipates, and the action takes place near a waterfall at night, which in movies is a shortcut for shoddy special effects. But until then, the movie takes full advantage of the goofiness of its premise. As long as you can take its

staggering violence in stride, it's as sweet as sugar – even if it is about a different kind of white powder.

Grade: B

"Cocaine Bear" is rated R for bloody violence and gore, drug content and language throughout. Its running time is 95 minutes.

NOTICE OF HEARING ON RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA DECLARING INTENTION TO ANNEX TERRITORY TO COMMUNITY FACILITIES DISTRICT NO. 2016-3 (MAINTENANCE SERVICES) OF THE CITY OF CORONA (ANNEXATION NO. 34)

NOTICE IS HEREBY GIVEN that on February 1, 2023, the City Council of the City of Corona adopted Resolution No. 2023-006 declaring the intention of the City Council to annex territory identified as Assessor's Parcel Numbers APN's: 122-140-012, 122-140-016, and 122-230-012 to Community Facilities District No. 2016-3 (Maintenance Services) of the City of Corona, County of Riverside, State of California ("CFD 2016-3"), and fixing the time and place of a public hearing thereon for 6:30 p.m. on March 15, 2023 in the Council Chambers of the City Council, 400 South Vicentia, Corona, California, at which time the City Council will hear the testimony of all interested persons for or against the annexation of said territory to CFD 2016-3 or the levying of special taxes within such territory to pay the costs of providing certain services which are necessary to meet increased demands placed upon the City as a result of the development of said real property.

The text of Resolution No. 2023-006, including exhibits thereto, is on file with the City Clerk of the City of Corona located at 400 South Vicentia Avenue, Corona, California and reference is made thereto for the particular provisions thereof. The text of Resolution No. 2023-006 is summarized as follows:

1. The City Council declared its intention to conduct proceedings for the annexation to CFD 2016-3 of the territory described in Exhibit "A" to Resolution No. 2023-006. The territory proposed to be annexed to CFD 2016-3 is also shown and described on the map thereof entitled "Annexation Map No. 34, Community Facilities District No. 2016-3 (Maintenance Services) of the City of Corona, County of Riverside, State of California," which is on file with the City Clerk.

2. The types of public services to be provided within CFD 2016-3 are as follows:

(a) The annual costs of maintaining, servicing, cleaning, repairing and/or replacing landscaped areas (may include reserves for replacement) in public street rightofway, public landscaping, public open spaces and other similar landscaped areas officially dedicated for public use, including, but not limited to, maintenance and lighting of parks, parkways, streets, roads and open space, maintenance and operation of water quality improvements and storm drainage systems, and public street sweeping, within and in the area of CFD 2016-3, as well as the costs associated with the determination of the amount of and the levy and collection of special taxes which are levied to provide such services and costs otherwise incurred in order to carry out the authorized

purposes of CFD 2016-3 (the "Special Tax A Services"); and

(b) The cost of any services permitted under the MelloRoos Community Facilities Act of 1982 including, without limitation, those services authorized to be funded by CFD No. 2016-3 as set forth in the documents adopted by the City Council at the time the CFD was formed to be provided by the City in the event the Administrator makes a determination that a Property Owners' Association fails to adequately provide such services, as well as the costs associated with the determination of the amount of and the levy and collection of special taxes which are levied to provide such services and costs otherwise incurred in order to carry out the authorized purposes of CFD 2016-3 (the "Special Tax B (Contingent) Services").

3. A special tax sufficient to finance the Special Tax A Services and a special tax sufficient to finance the Special Tax B (Contingent) Services (together, the "Special Taxes"), secured by the recordation of a continuing lien against all taxable or nonexempt property in CFD No. 2016-3, shall be annually levied within CFD No. 2016-3. All parcels of taxable property in the territory of CFD No. 2016-3 shall be subject to the annual levy of Special Taxes. The rate and method of apportionment of special taxes to be levied on parcels of taxable property to finance the Special Tax A Services and the Special Tax B (Contingent) Services shall be as set forth in Exhibit "A" to Resolution No. 2023-006. The Special Taxes require the approval of two-thirds of the qualified electors of CFD 2016-3 at a special election called for that purpose by the City, with each voter having one vote for each taxable acre, or portion of a taxable acre, owned.

4. The officers of the City who are responsible for providing the Special Tax A Services and the Special Tax B (Contingent) Services are directed to, at or before the time of said hearing, file or cause to be filed a report with the City Council containing a brief description of the services by type and an estimate of the cost of providing those services and the incidental expenses to be incurred in connection therewith. Such report shall be made a part of the record of the public hearing.

5. The voting procedure with respect to the annexation of territory into CFD 2016-3 and the imposition of the Special Taxes shall be by mailed or personally delivered ballot election. NOTICE IS FURTHER GIVEN that at the time and place of said hearing, all persons interested for or against the annexation of said territory to CFD 2016-3 or the levying of special taxes within such territory to pay the costs of providing certain services within the territory proposed to be annexed to CFD 2016-3 will be heard. At the hearing, protests against the proposals described in Resolution No. 2023-006 may be made by any interested person. Any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities or defects to which objection is made. All written protests shall be filed with the City Clerk prior to the time fixed for the hearing. The City Council may waive any irregularities in the form or content of any written protests and at the hearing may correct minor defects in the proceedings. Written protests may be withdrawn in writing at any time before the conclusion of the hearing.

If the owners of onehalf or more of the area of land in the territory included in CFD 2016-3, or if the owners of onehalf or more of the area of land in the territory proposed to be annexed to CFD 2016-3 file written protests against the proposed annexation of such territory to CFD 2016-3, and protests are not withdrawn so as to reduce the protest to less than a majority, no further proceedings shall be undertaken for a period of one year from the date of decision of the City Council on the issues discussed at the hearing.

The hearing may be continued from time to time, but shall be completed within 30 days. At the conclusion of the hearing, the City Council may abandon the proceedings or may, after passing upon all protests, submit the question of levying the special tax within the area proposed to be annexed to CFD 2016-3 to the qualified electors of the area proposed to be annexed.

The City of Corona, Public Works Department ("City") will receive sealed bids for the Cajalco and I-15 Interchange Landscape Maintenance Services Rebid, NIB 23-051AS through the City's PlanetBids electronic bidding system no later than April 11, 2023, 2:00 p.m. Bids submitted after this time will not be accepted by the electronic bidding system. At said time it will be bidder's responsibility to log into the PlanetBids system for the City of Corona to view the apparent low bidder for the project. Bids shall be valid for 90 calendar days after the bid opening date. Bids must be submitted on the City's Bid Forms.

Prospective Bidders must visit the City's Bids and Requests for Proposals Vendor Portal at https://pbsystem.planetbids.com/portal/39497/ portalhome and register as a new vendor in PlanetBids in order to download Contract Documents, including the Instructions to Bidders, plans and specifications, and to receive addenda and notifications when issued. Bidders will also submit electronic bids through this website. The City will also make the Contract Documents available for review at one or more plan rooms.

All electronic Bids must be accompanied a bid security in favor of the City in an amount not less than ten percent (10%) of the submitted Total Bid Price pursuant to Section 12. Bid Guarantee (Bond) of the Instructions to Bidders.

Each bidder shall be a licensed contractor pursuant to the Business and Professions Code and shall be licensed in the following appropriate classification(s) of contractor's license(s), for the work bid upon, and must maintain the license(s) throughout the duration of the Contract: C-27 Landscaping Contractor License. A current and valid copy of the Pest Control Business License registered with the Riverside County Agriculture Commissioner. Evidence of these licenses and/or certifications shall be submitted with Bidder's bid in PlanetBids attached to the response file under "Evidence of Required Licenses/Certifications", failure to submit evidence shall result in the Bidder's bid being deemed nonresponsive.

It shall be Bidder's responsibility to allow sufficient time to complete and submit its bid including all required documentation referred to in the Contract Documents prior to the stated deadline. Electronic bid submission cannot be completed unless bidder properly uploads all required documents. Each bid shall be accompanied by the security referred to in the Contract Documents, the noncollusion declaration, the list of proposed subcontractors, and all additional documentation required by the Instructions to Bidders.

Bidders are solely responsible for the "on time" submission of their electronic Bid. The City will only consider Bids that have transmitted successfully and have been issued a confirmation number with a time stamp from PlanetBids indicating that the Bid was submitted successfully. Transmission of Bids by any other means will not be accepted. Bidders shall be solely responsible for informing themselves with respect to the proper utilization of the on-line bid management system, for ensuring the capability of their computer system to upload the required documents, and for the stability of

their internet service. Failure of the Bidder to successfully submit an electronic Bid shall be the Bidder's sole risk and no relief will be given for late and/or improperly submitted Bids.

Bidders experiencing any technical difficulties with the bid submission process may contact Planet Bids Support at 818-992-1771. If you continue to have difficulty, call City of Corona Purchasing Department at 951-736-2274. Neither the City, nor PlanetBids, make any guarantee as to the timely availability of assistance, or assurance that any given problem will be resolved by the bid submission date and/or time.

The successful bidder will be required to furnish the City with a Performance Bond equal to 100% of the successful bid, and a Payment (Labor and Materials) Bond equal to 100% of the successful bid, prior to execution of the Contract. All bonds are to be secured from a surety that meets all of the State of California bonding requirements, as defined in Code of Civil Procedure Section 995.120, and is admitted by the State of California. Contractor shall require all subcontractors providing labor and materials in excess of \$25,000 to supply Payment and Performance Bonds in the amounts of the subcontractor and in a manner required of the Contractor. The Contractor shall specify this requirement for subcontractor bonds in its written or published request for subcontractor bids in accordance with Public Contract Code Section 4108.

Pursuant to Public Contract Code Section 22300, the successful bidder may substitute certain securities for funds withheld by City to ensure his performance under the Contract.

The Work is subject to the payment of not less than prevailing wages pursuant to Chapter 1 (beginning at Section 1720 et seq.) of Part 7 of Division 2 of the California Labor Code, as well as Title 8, Section 16000 et seq. of the California Code of Regulations ("Prevailing Wage Laws"). The Director of the Department of Industrial Relations ("DIR") has determined the general prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of worker needed to execute the Contract which will be awarded to the successful bidder, copies of which are on file and will be made available to any interested party upon request at Owners office or online at http://www.dir.ca.gov/dlrs. A copy of these rates shall be posted by the successful bidder at the job site.

Pursuant to SB 854, which amended the Prevailing Wage Laws, this Contract is subject to compliance monitoring and enforcement by the DIR. Beginning March 1, 2015, with very limited exceptions no contractor or subcontractor may be listed on a bid proposal for this Contract unless registered with the DIR pursuant to Labor Code section 1725.5. Beginning April 1, 2015, no contractor or subcontractor may be awarded this Contract unless registered with the DIR pursuant to Labor Code section 1725.5. The DIR registration number for each contractor and subcontractor must be identified on the bid proposal - failure to identify this number could result in the bid being rejected as nonresponsive. It is each bidder's responsibility to ensure that they have fully complied with SB 854. The City will report all necessary contracts to the DIR as required by the Prevailing Wage Laws.

The successful bidder and all subcontractor(s) under him, shall comply with all applicable Prevailing Wage Laws, which include, but are not limited to the payment of not less than the required prevailing rates to all workers employed by them in the execution of the Contract, the employment of apprentices, the hours of labor, the payment of overtime, and the debarmment of contractors and subcontractors. The successful bidder and all subcontractor(s) under him shall also be responsible for any and all violations and fines imposed on them pursuant to the Prevailing Wage Laws.

The successful bidder must fully comply with all applicable laws, rules and regulations in furnishing or using equipment and/or providing services, including, but not limited to, emissions limits and permitting requirements imposed by the South Coast Air Quality Management District (SCAQMD) and/or California Air Resources Board (CARB). Although the SCAQMD and CARB limits and requirements are more broad, the successful bidder shall specifically be aware of their application to "portable equipment", which definition is considered by SCAQMD and CARB to include any item of equipment with a fuelpowered engine. The successful bidder will be required to indemnify City against any fines or penalties imposed by SCAQMD, CARB, or any other governmental or regulatory agency for violations of applicable laws, rules and/or regulations by the successful bidder, its subcontractors, or others for whom the successful bidder is responsible under its indemnity obligations.

Award of Contract: The City shall award the Contract for the Project to the lowest responsive, responsible bidder as determined on the

basis of the summation of the Total Base Bid Schedule and the Total Alternate Bid Schedule combined. However, the City may choose to award the Contract on the basis of the base bid alone or the base bid and any selected alternate bid item or combination of selected alternate bid items. The City reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding process.
